WWW <https://zety.com/profile/e404-220402103657/658>

Meticulous inventory professional with 5 years of experience initiating and managing cycle counts and reprocessing programs. Skillful in collaborating with other departments to keep necessary items available. Expert in coordinating inventory systems.

I now have sights on learning as much about **Software Development** and switch careers into Tech. In order to help make this career change I am currently enrolled in a Coding Bootcamp through UC Davis that will be providing certification on completion in August of 2022.
